

Corona LED is the series of recessed LED with anti-glare optics, intense and, at the same time, comfortable luminous flux. High colour rendering index (CRI). Its stylish, thin and light structure but at the same time tough, makes it suitable for many applications such as shops, shopping malls, offices, clinics and homes.

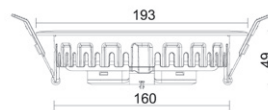

Corona-25 LED

Code	Colour Temperature	Input Driver Inc.	Watt	Luminous yeld	Beam Aperture	CRI	PFC	Dimmer Mode	IP Front	IP Rear	IK Rate
DWL7024-NW	4000 K	230Vac	24W	110lm/W	100°	Ra ≥90	>90	//	54	44	05
